Travel Advisory

Earlier this week, improvised explosive devices were discovered in unattended suitcases in train stations in Dortmund and Koblenz.

All community members are urged to exercise increased vigilance when traveling or using public transportation.

A close-up, warm-toned photograph of an acoustic guitar. The focus is on the soundhole and the bridge area, showing the intricate wood grain and the circular pattern of the soundhole. Several strings are visible, stretching across the frame. The lighting is soft, creating a cozy and inviting atmosphere.

Leaving the Army? Give ACAP a call!

A woman with short brown hair, wearing a black t-shirt and khaki pants, is seen from the back, standing next to a large cardboard box. She is looking out a large window. To her right, a man in a dark long-sleeved shirt is also seen from the back, holding another large cardboard box. The room has several large windows with wooden frames, looking out onto a green landscape. The scene is dimly lit, suggesting an indoor setting during the day.
